TRACKS: Fall/Winter 2018 Edition

A historic announcement is made as the Fralin family donates $50 million to the newly named Fralin Biomedical Research Institute at VTC. President Tim Sands, Executive Director Michael J. Friedlander, and Heywood Fralin, all talk about the biggest gift in Virginia Tech’s existence.

A historic gift: Fralin Biomedical Research Institute at VTC

Released in late December 2018, this edition includes a message from the dean, news from around the college, a special gratitude section, alumni updates, and more.
