

Dr. Gregory C. Troy

Dr. Gregory C. Troy is the Dr. and Mrs. Dorsey Taylor Mahin Endowed Professor of internal medicine in the Department of Small Animal Clinical Sciences in the Virginia-Maryland Regional College of Veterinary Medicine at Virginia Tech. He received his DVM in 1975 from Auburn University and his M.S. in 1982 from Texas A & M University. Prior to joining the college in 1987, he was an assistant/associate professor at Texas A & M University's College of Veterinary Medicine. During his tenure in the VMRCVM, he has served as the director of the Veterinary Teaching Hospital from 1987 to 1993, Small Animal Medicine Section Chief from 1996 to 2001, and as head of the Department of Small Animal Clinical Sciences from 2003 to 2007. Troy's research interests are infectious diseases, urinary tract disorders, and oncology. He is board certified by the American College of Veterinary Internal Medicine. In addition, he is a member of the American Veterinary Medical Association, the Virginia Veterinary Medical Association, the American Heartworm Society, and the American Association of Veterinary Medical Colleges.
